REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of Greenwood:

I am pleased to submit this report as Superintendent of Schools for the Town of Greenwood.

During the short time I have served as your Superintendent of Schools, I have attempted to work with the Superintending School Committee and the teachers to evaluate the present school program and to determine what the long-range needs will be.

Today there is need for a sound educational program to prepare the children of the community for secondary school and for a successful life. The skills, habits and knowledge developed in the elementary school have a great influence in future success. For this reason, it would seem that we should place the greatest emphasis on the basics: reading, arithmetic and the language arts. It is hoped that each pupil will be aided to reach his maximum development.

A good school program can not be attained in the classroom alone. Good schools come when all concerned—parents, teachers, pupils and the citizens of the community—work together to help provide and produce the best.

It should be noted that \$500.00 which was raised and appropriated in 1957 for "Kitchen Fund" has been transferred to the School Building Fund and is now on deposit in the Bethel Savings Bank.

The enrollment by grades at the opening of school in September was:

REPORT OF AUDITOR

C. R. WOODMAN
Public Accountant
Readfield, Maine

January 13, 1965

Board of Selectmen
Greenwood, Maine
Gentlemen:

In accordance with the provisions of Section 26, Chapter 90-A, Revised Statutes of 1954, and at your request, the financial records of the Town of Greenwood have been audited for the municipal year ended December 31, 1964.

As required by statute, one copy of this report together with the audit procedural form prescribed by the state auditor for governmental audits in accordance with statutory requirement have been forwarded to the State Department of Audit.

The examination was in the form of a limited general audit and performed in accordance with standards established by the State Department of Audit and by the National Committee on Governmental Accounting. Audit analysis was on a basis consistent with the preceding year and included all procedures considered necessary.

Insofar as could be ascertained within the scope of the examination, the financial affairs of the Town appear to have been appropriately handled, with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules together with the accompanying comments present the result of the financial operations of the Town for the period designated.

All of which is respectfully submitted.

C. R. WOODMAN
Public Accountant

A complete report of the audit is on file at the Town Office.

COMMENTS

TOWN OF GREENWOOD

January 1, 1964 to December 31, 1964

An audit of the financial records maintained by the various officers of the Town of Greenwood has been completed for the municipal year ended December 31, 1964.

The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following comments, exhibits and supporting schedules.

An analysis of the results of the year's operations showed that net balances credited to unappropriated surplus amounted to \$5,025.00, per the following summary:

Departmental Balances	
Unexpended	\$5,075.43
Overdrafts	50.43
	<hr/>
Net Balances to Surplus	\$5,025.00

The principal factor contributing to net balances lapsed to general fund surplus was a balance of \$2,746.52 in the overlay account and an unexpended balance in excise tax receipts of \$1,718.61.

ASSETS The general fund cash balance of \$15,084.73 was reconciled with a statement furnished by Casco Bank and Trust Company, Bethel, Maine.

Accounts Receivable of \$6,561.75 included balances due from the State for highway expenditures.

Taxes receivable of \$2,261.40 represented the uncollected balance of the 1964 tax commitment.

Tax Liens and Tax Acquired Property amounted to \$233.50 and \$272.29 at the audit date.

LIABILITIES Notes payable, reflected on the balance sheet under "Debt Fund", amounted to \$1,603.72, at the year end, and represented the balance of notes issued in 1957 for purchase of a Town Truck.

SURPLUS Appropriation account balances carried forward to the ensuing year amounted to \$3,226.69, and represented education and Civil Defense balances carried forward at the direction of the Selectmen.

The unappropriated surplus amounted to \$21,186.98, a decrease of \$147.82 as compared with the preceding year. This decrease was occasioned principally by the transfer of \$4,459.46 to operating accounts.

DEPARTMENTAL ACCOUNTS . . . Departmental operating accounts showed an increase of \$4,458.02 in funds raised by taxation, as compared with the preceding year. Increased appropriations were noted in education accounts.

Departmental balances carried forward to the ensuing year totaled \$3,226.69, an increase of \$1,787.13 as compared with the start of the year. This change occurred in the education account.

GENERAL The Townspeople authorized the transfer of funds from surplus to various operating accounts and the transfer of excise tax receipts to School Capital Outlay Fund.

The highway equipment fund was applied to the payment on the Truck Note, as authorized by the Townspeople.

Trust fund income was utilized in accordance with the terms of the various trusts in the maintenance of various cemetery lots. The sum of \$46.51 was transferred to the Cemetery Account for this purpose.

Included in this report are exhibits and schedules pertaining to the financial status of the Town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting statements present the financial position of the Town at December 31, 1964, and the result of its operations for the year then ended.
